- A tip of the hat and a high 5 to AVCC member, Sheldon Sappier (and caddie Jesse Perley), on Sheldon's showing at the recent Canadian Mid Am in Brantford, ON. On scores of 76-73, Sheldon missed the cut by 2. We're sure there were some "what ifs" but considering the level of competition, Sheldon can be very proud of his play in Brantford. As a side note, the event was won by current NHL referee, Garret Rank, who has a very impressive golf resumé.

- Best wishes to our AVCC employee, Garret, & Tori on their nuptials on Friday.
